

We are excited for another great season of Broken Arrow Soccer. We are eager to roll out a new line of amazing products in our traditional series and introduce you to a whole new side of sports photography that only TSS Photography can provide.

This year for Soccer we have the following **EXCLUSIVE** offers:

Traditional Series:

- New packages. Now offering a wider variety of prints with countless add-ons, at a more affordable price.
- Simplified product offerings. We've kept the popular favorites and added new exciting items.
- Same great sports portraits that you have come to expect from TSS Photography.

IMPACT Series:

(To use the impact series, teams must have a minimum of 70% team participation in purchasing photos or a \$35 art fee will be assessed.)

- Uniquely posed and stylized portraits while maintaining the exceptional quality of the Traditional TSS Photography.
- Using a proprietary retouching process and special effects our designers produce posters and prints that are truly amazing.
- Team IMPACT Panos are available in two sizes, 5x15 or 10x30 and can include 8 – 50 individuals.
- Team IMPACT Panos are created using fully customized background and floors to match team uniforms.
- IMPACT Player Posters and Prints come in a variety of traditional sizes as well as poster sized.

Please contact TSS Photography for impact pricing.
