

I need another player added to my team.

If you need an additional player added to your roster, please contact the BASC registrar. They will check for available players in your age group via Gotsoccer or our registration waiting list.

If there is an available player, the registrar will work out the details and adjust your roster with your new player.

To contact the BASC Registrar, [Click Here](#) and click on the hyperlink for the registrar. Or email the BASC office: info@bascok.com.
