

BASC Club Wide Player Pass & Secondary Roster Policies

All rules herein apply to BASC teams and supersede OSA policies for recreational soccer. Items not specifically addressed herein shall conform to OSA policies.

BASC has adopted the following policies for Club Wide Player Passes, Secondary Roster Players and Guest Players. These programs have been developed to allow for player development by permitting a player to participate with another team exposing them to a higher level of play. These programs are not intended to improve team performance or to simply have substitute players; applications for such reasons alone will be denied. Below are the policy details for each program.

The below listed CPP and Secondary player Policies are applicable to BASC Closed League Play only. Teams playing in OSA Open Recreational and Recreational Select leagues shall comply with ORL Policy. All approvals for CPP and Secondary Roster players are made according the requirements herein at the discretion of the BASC Club Head Coach and Team's Primary Coach. The BASC office will have 3 business days from receipt of application to notify applicant of the status of approval or denial of application. Denials may be appealed to the BASC Executive Board. Guest Player Policy is that of OSA and is only applicable for tournament and friendly games.
