Approved By:

BASC Area Referee

Date: _____

Per Article III Section 1.A of the BASC Bylaws

In order to become a member of BASC, all referees must complete ten regularly scheduled league games in the spring and fall seasons OR twenty regularly scheduled season games in either the fall or the spring season per calendar year and will be verified by the Area Referee. Once these qualifications are met and the referee is in good standing, the referee may request to apply for membership in the BASC for the next fall. The application will be available on the BASC website and the Area Referee and Executive Board will review. The Area referee will then make the decision on acceptance or denial of membership.
